The Academy has been serving Southern Nevada for over 26 years.
We are a private, non-profit school providing K-12 education with
individualized programs for each student and lots of one-on-one attention.
The school has been in the same location for 20 years and it's time to move.
The funds raised will go to purchasing a 5 acre campus where we can begin with
green solar modular schoolhouses.

We can grow as fast or as slow as we need to, adding Pre-school, earthship
buildings, biosphere, more solar power, wind power, wells, indoor and outdoor
classroom and play areas, dining hall, kitchens, theater, gym/dance center,
gardens, hydroponic and aquaponic areas, barns and small farms.

DINNER TICKETS \$75 PER PERSON, OR
